## Photo Permission

We here at First Southern Christian School are aware that there are often opportunities to promote our school and what better way than capturing moments and sharing them—not only with our school families but also with prospective families. One way to accomplish this is to use pictures of the children playing, learning, and having fun. We are requesting permission from you, as a parent or guardian, to allow us to use a picture of your child or a group picture of which your child is a part, in our promotional materials.

By granting permission, you agree that the school has the right to take, use, reproduce, assign and/or distribute photographs for use for promotional purposes only and that the use of such material will be done without any payment to you or the need of future approval by you. Please rest assured that the safety and well-being of the children come first and at no point would we be less than discrete for the sake of promotion.

If you agree to the above provisions, please print, sign, and date below and return to the school. Thank you.
