Drop off Pick Up Protocol

When you pull up in the alley way to drop off or pick up your child, we ask that you please be considerate of others waiting in line. Make the drop off and pick up quick so that the line can move along. Please stay in your lane. Preschool and kindergarten parents going to the playground gate go to the outside lane and all others need to stay to the left inside lane. Please to not get out of your car while in line as that holds up the line or causes someone to want to go around you. This is a safety hazard. If you need to have a conversation with someone or need to get out of your vehicle for any reason, we ask that you please park and walk up. We want to make this process safe for the students and families and make it convenient for you as well.

There has been work done in the parking lot over the break and it will continue when we return. Please be cautious of this when parking.

Compassion International

Please remember to continue to support our *Compassion International* program. As a school we are sponsoring two children, Jeki from Indonesia and Carlos from Bolivia. Their pictures and biographies are posted in the hallway. We ask our students to bring in 50 cents every Wednesday. This is our continuing mission project, and we want to teach our children how to reach out and help other children who are in need.
