VOL. 43 NO. 10

PIMA COUNTY FAIR FIELD TRIP FRIDAY, APRIL 25th

The date for the family field trip to the fair is almost here. I hope you have all marked your calendars and asked for the day off. This is a school wide field trip for all the grades. Preschool and kindergarten students **must** have an adult accompany them on the trip. If you are unable to attend or have someone take your child, then he/she can stay home. There will be no classes on this date. We will leave the school at 9:30 a.m. and meet at the fair. We will return to school around 3:00 p.m. Please send a sack lunch with a drink and an additional water bottle. We do get thirsty out there. You can also send some spending money with your child.

The children in grades K-6 will participate in a STEM program, and the preschoolers will enjoy interactive activities at Farmer John's Farm. Also, each student will have an art project entered in the art fair.

There is a great need for chaperones and drivers for this special trip. Please sign up in the office by April 22nd if you plan to attend.

Plan to make this a family event. Sign up to come along with us and receive **free parking** and **free entry**. The rides open at 3:00 p.m. If you do not drive other students who have to return to the school, you can stay and enjoy the rest of the day/night at the fair as a family.

ENROLL NOW FOR THE 2025-2026 SCHOOL YEAR

We are accepting applications for the new school year. ESA scholarship application process opens in May.

Jesus said to her, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die. Do you believe this?"

John 11:25-26

Illness Policy Reminder

To help protect our school community, please keep your child home if they exhibit any of the following symptoms: fever, vomiting, or diarrhea. Your child can return to school once they have been free from these symptoms for a full 24 hours. This helps prevent the spread of germs to other children and staff, and contributes to controlling outbreaks of sickness.
