First Southern Christian School Tucson, AZ

## Welcome Back to School!

We are so excited as we begin the 44th school year at First Southern Christian School! FSCS has been blessed with several new team members, new families, and many returning families. We are excited to see what God has planned for all of us this year.

## New Staff Members

God has brought us three new staff members this school year. Mr. David Hoffman is teaching fourth grade. Katie Randall is supervising recess, assisting teachers, leading lunches, and serving as the lead After School Teacher. Victoria Mendez is assisting in the first and second grade classroom.

## Bright Wheel

Many of you know we have a new program for student billing. If you have not set up your account and need assistance please let the office know. Billing and student payments will be sent and received with the exception of class wallet for those paying using ESA. We also use Bright Wheel for signing children in and out of preschool, before school care and after school care. You will use your pin number and an electronic signature on your phone or the tablet in the classroom.
